Welcome to the National Campus Climate Survey (NCCS)!

## CALCULATIONS

{NOTE: To keep fully consistent with Department of Education standards <http://www2.ed.gov/policy/rschstat/guid/raceethnicity/questions.html>, we should calculate categories for “multi-racial” and “Unknown” as well. The following hidden variables should be generated for ease in reporting. The NonResAlien and Ethnicity variables are created to remove the differentiation between a “no” and “null” response to those items as being meaningful for the required reporting.}

CALC\_NonResAlien. NonResident Alien Flag

- 1 Nonresident Alien {If DEM\_CIT=4}

CALC\_Ethnicity. Hispanic/Latino(a) Ethnicity

- 1 Hispanic / Latino(a) {If DEM\_ETH=3}

CALC\_Race. Race (Single Category Calculation)

- 1 Multiracial {PRG: If DEM\_RACE has more than one option selected}
- 2 American Indian or Alaskan Native {PRG: If CALC\_RACE is NOT=0, and DEM\_RACE=5}
- 3 Asian {PRG: If CALC\_RACE is NOT=0, and DEM\_RACE=2}
- 4 Black or African American {PRG: If CALC\_RACE is NOT=0, and DEM\_RACE=1}
- 5 Native Hawaiian or Other Pacific Islander {PRG: If CALC\_RACE is NOT=0, and DEM\_RACE=6}
- 6 White {PRG: If CALC\_RACE is NOT=0, and DEM\_RACE=7}
- 7 Other (*Please specify*): [TEXT RESPONSE] {PRG: If CALC\_RACE is NOT=0, and DEM\_RACE=8}
- 8 Other/Unknown {PRG: If participant does not provide a response to A3b or if If CALC\_RACE is NOT=0, or if DEM\_RACE=8}

CALC\_Enroll2Current. Months elapsed between when student enrolled and current month.

{PRG: Calculate the total number of months elapsed since student enrolled (ENROLL\_YEAR & ENROLL\_MONTH) and record the total months in this variable, to be used later in the questionnaire.}

**QCONSENT**

{PRG: QCONSENT IS REQUIRED}

<b>Project Title</b>	National Campus Climate Survey (NCCS)
<b>Why is this survey being done?</b>	This survey is being conducted at the four branch campuses University of New Mexico, as well as other institutions of higher education. The purpose of this research is to better understand and improve campus climate with regards to sexual misconduct and related topics.
<b>Why am I being asked to do this?</b>	You were selected because you were enrolled as a student at one of the University of New Mexico branch campuses as of March 1, 2017. If you believe you have been selected in error and do not qualify, please email us at <a href="mailto:nccssm@ssgresearch.com">nccssm@ssgresearch.com</a> .
<b>What will I be asked to do?</b>	<p>You are being asked to participate in an online survey about experiences you have had, or may have had, during your life. This survey will take about 15 minutes on average and asks questions about your experiences before and after you started college.</p> <p>You may leave the survey at any time and resume from your last completed response. You may also skip any questions that you are not comfortable answering.</p>
<b>What are the risks of this research?</b>	<p>Your participation in this online survey involves risks similar to a person’s everyday use of the Internet.</p> <p>Some of the questions in this survey use explicit language, including anatomical names of body parts and specific behaviors, to ask about sexual situations. This survey also asks about sexual misconduct, including sexual harassment, sexual assault, stalking, and intimate partner violence, which may be upsetting to some people.</p>
<b>What are the benefits of this research?</b>	This survey is not designed to help you personally, but the results may help the University of New Mexico and others nationally in understanding the topics of this survey better. We hope that, in the future, based on your responses, other people might benefit from this study through the implementation of programs that are designed using the data that is collected.
<b>Compensation</b>	You will be included in a random drawing to win one of five \$50 VISA gift cards. In addition, students who respond to the survey will also be entered in a drawing for one of three UNM T-shirts, or one of five Lobo Louie Bobbleheads. (Odds of winning will be approximately 1 in 1300.)
<b>Is participation required? May I stop participating at any time?</b>	Your participation in this survey is completely voluntary. You may choose not to take part at all by not responding to the survey invitations, by indicating that you do not agree to participate at the end of this consent process, or by sending an email to the study at <a href="mailto:nccssm@ssgresearch.com">nccssm@ssgresearch.com</a> asking to be removed from the survey. If you decide to participate in this research, <b>you may stop participating at any time</b> . You may also skip any questions that you are not comfortable answering, however, there may be key individual items that require a response to proceed because of their use (logically) in tailoring the questionnaire later. If you decide not to participate in this study or if you stop participating at any time, you will not be penalized.

<p><b>What about confidentiality?</b></p>	<p>Confidentiality will be maintained to the extent it is allowed by law. The research team will only see your responses after all of your identifying information has been removed. Your participation in this online survey involves risks similar to a person’s everyday use of the Internet. Your personal information will be kept confidential. To help protect your confidentiality, SoundRocket, an independent survey-research company, has been hired to maintain all study records. More information about SoundRocket’s approach to privacy and confidentiality may be found at: <a href="http://www.soundrocket.com/privacy-confidentiality/">http://www.soundrocket.com/privacy-confidentiality/</a>.</p> <p>You have been assigned a randomly generated, one-time-use ID number as a code to access the survey; your responses will be separated from any information that could possibly identify you. At no time will your contact information be stored together in the same file as your survey responses.</p> <p>The data generated from this study will be retained in a secure repository for future evaluation purposes. Records will be kept confidential to the extent provided by federal, state, and local law. SoundRocket will retain your contact information—in a separate, secure file from data—during the data collection period, in order to send you follow up emails if necessary. Upon completion of the study, all names and contact information will be <b>destroyed</b>, and the remaining analytic dataset will be made <b>anonymous</b>. Because data are anonymous once the study is completed, we will be unable to remove your data from the database should you wish it withdrawn at a later date.</p>
<p><b>What if I have questions?</b></p>	<p>This survey is being conducted by the National Campus Climate Survey (NCCS), a collaboration between University of New Mexico Branch Campuses, the University of Michigan, and SoundRocket. If you have any questions about the research study itself, please contact SoundRocket at:</p> <p>Scott Crawford SoundRocket 950 Victors Way, Suite 50 Ann Arbor, MI 48108 (866) 561-3540 support@ssgresearch.com</p> <p>If you have questions about your rights as a research subject or wish to report a research-related problem, please contact:</p> <p>New England Institutional Review Board (NEIRB) 85 Wells Avenue Suite 107 Newton, MA 02459 Phone: 617-243-3924 Fax: 617-969-1310</p>
